Paving Notice

November 24, 2021

Dear resident,

Due to unforeseen conditions, the 600 block of 108th Avenue N will receive the first layer of asphalt before Christmas. We will notify the homeowners once we know the paving date(s) and will post this information to www.CollierPUR.com. At that time, Collier County will again request the following:

- Right-of-way must be cleared of any vehicles and property.
- Paving preparation activities will start at 7:00 a.m.
- Residents and all residential services will have limited access during paving operations.
- Please give yourself extra time to complete your travel plans.
- Emergency vehicles will be given access.
- If a personal vehicle is on the road or in the right-of-way after 7:00 a.m. on paving day, the contractor will tow the vehicle at the owner's expense. Personal property in the right-of-way will also be removed.
- Landscaping trucks, construction trucks or any delivery trucks will not have access and will not be able to park on the road or turn into driveways during paving. Please notify them in advance.
- Paving will be canceled and rescheduled if weather prohibits paving activities as scheduled or for any unforeseen conditions.

If you have any questions or concerns, please call the hotline at 239.269.1890. We sincerely appreciate your patience throughout the completion of the PUR projects.

Cordially,
