

## Palm River Public Utilities Renewal Project

April 15, 2024

Dear Eastwood Drive residents,

**Re: Driveway Temporary Closure Notice**

Beginning Tuesday, April 16 at 7 a.m., contractors will prepare for and install the valley gutter curb on the entire east side of Eastwood Drive. This work will include:

- Removal of any remaining curb along your driveway.
- Installation of the concrete curb using a curb machine.
- Appropriate concrete curb curing time.

**You will not have access to your driveway beginning at 7 a.m. on Tuesday, 4/16 through 5 p.m. on Wednesday, 4/17. You may park in the road right-of-way (ROW) on the west side of Eastwood Drive on Cypress Way E, Pompano Drive, or your west side neighbor's driveway with their permission.**

- Curb preparation activities will start at 7 a.m.
- The east side ROW must be cleared of any vehicles and property.
- If a personal vehicle is on the road or the east side ROW after 7 a.m., the contractor will tow the vehicle at the owner's expense. Personal property in the east side ROW will also be removed.
- Residents and all residential services will have limited access during the curb work.
- Landscaping trucks, construction trucks or any delivery trucks will not have access and will not be able to park on the road or turn into driveway during the curb work. Please notify them in advance.
- Emergency vehicles will be given access.
- Curb work will be canceled and rescheduled if the weather prohibits curb installation as scheduled or for any unforeseen conditions. For construction updates, visit <http://www.collierpur.com/project-areas-1-2-2/>.

This work has been reported to and coordinated with Collier County Solid Waste, first responders and the U.S. Postal Service.

If you have questions or would like further information, please call Collier County's public information consultant at 239-227-4172 or email [PalmRiverUtilities@Colliercountyfl.gov](mailto:PalmRiverUtilities@Colliercountyfl.gov).

We sincerely appreciate your patience throughout the completion of the PUR projects.

Cordially,

Diana C. Dueri, PMP  
Project Manager III
