

Vanderbilt Drive Cul-de-sacs Public Utilities Renewal

Sod Installation Notice

March 9, 2018

Dear Residents of Flamingo Ave, Heron Ave, Egret Ave, and Vanderbilt Drive:

This notice is regarding the new sod installed in the Right-of-Way (ROW) at your property. The Contractor will continue to water the newly installed sod until it gets established, but we are also asking residents to make sure that sprinkler/irrigation systems are put into operation now to provide supplementary watering. By doing this, there will be no gaps in irrigation when the Contractor stops temporary watering.

The Contractor is still in the process of addressing restoration items, and will continue to work on driveways, sod, and irrigation. If you notice any problems with your sod or irrigation system, please contact the project hotline immediately.

The project hotline can be reached by phone at **239-839-6247** or email VDCPUR@Stantec.com. Residents may also visit the Public Utilities Renewal website at CollierPUR.com to obtain the latest project information.

We sincerely appreciate your patience throughout the project.

Cordially,

Diana Dueri
Project Manager
