

Construction Update: Master Pump Station 308 Force Main Installation

Week of December 2, 2019

Collier County's contractor, Quality Enterprises USA, Inc., is expected to temporarily close the east intersection leg of Glades Boulevard at Palm Drive beginning Thursday, December 5 as crews continue with force main installation work. It is expected to re-open no later than Friday, December 13. During the closure, cones, detour signs and/or flaggers will be present to assist drivers and pedestrians through the area.

Please note construction timelines are fluid and often evolve throughout the life of a project. The projections above should not be considered final. We will do our best to keep you informed throughout the remainder of the project.

We greatly appreciate your ongoing patience and cooperation! For more information about the Master Pump Station 308 Force Main Installation Project, please visit www.collierpur.com/308fm. You may also contact Lauren O'Neill, community outreach specialist, at 239-281-2682 or email info@collierpur.com.
