

Road Alert

Week of September 9, 2019

Collier County's contractor, *Quality Enterprises USA, Inc.*, will soon be temporarily closing the north portion of the intersection at Palm Drive and Glades Boulevard in order to accommodate ongoing force main installation work in the area. This temporary closure is expected to last approximately one day and is anticipated to occur during the week of September 9. While this closure is in place, you may use the access point at Davis Boulevard and Winterpark Avenue, if needed, to access your home/property. Please see map below.

Your patience and cooperation are greatly appreciated! For more information on this project, contact Lauren O'Neill, community outreach specialist, at (239) 281-2682 or email info@CollierPUR.com. You may also visit www.collierpur.com/308fm for more details.
