

Palm River Public Utilities Renewal Project

Monday, September 23, 2024

Dear Cypress Way E residents,

Re: **NOTICE UPDATE** Driveway Temporary Closure Notice

Due to the anticipated bad weather later this week, the contractors will prepare and install the valley gutter curb on the west side of Cypress Way E on **Tuesday, September 24, 2024**.

West side residents (addressed as 491 through 401 Cypress Way E) will not have access to your driveway for 24 hours beginning at 7 a.m. on Tuesday, 9/24. You may park in the road right-of-way (ROW) on the opposite side where curb is being installed on Pompano Drive, on Eastwood Drive, on Cypress Way E, or in a nonaffected neighbor's driveway with their permission.

This work will include:

- Removal of any remaining curb along your driveway.
- Installation of the concrete curb using a curb machine.
- Appropriate concrete curb curing time.
- Curb preparation activities will start at 7 a.m.
- The ROW must be cleared of any vehicles and property when crews are installing the curb.
- If a personal vehicle is on the road or ROW after 7 a.m. where curb is scheduled to be installed, the contractor will tow the vehicle at the owner's expense. Personal property in the ROW will also be removed.
- Residents and all residential services will have limited access during the curb work.
- Landscaping trucks, construction trucks or any delivery trucks will not have access and will not be able to park on the road or turn into driveway during the curb work. Please notify them in advance.
- Emergency vehicles will be given access.
- Curb work will be canceled and rescheduled if the weather prohibits curb installation as scheduled or for any unforeseen conditions. For construction updates, visit <http://www.collierpur.com/project-areas-1-2-2/>.

This work has been reported to and coordinated with Collier County Solid Waste, first responders and the U.S. Postal Service.

If you have questions or would like further information, please call Collier County's public information consultant at 239-227-4172 or email PalmRiverUtilities@Colliercountyfl.gov.

We sincerely appreciate your patience throughout the completion of the PUR projects.

Cordially,

Diana C. Dueri, PMP
Project Manager III
